# About Us

The Future Leaders Academy is a dynamic organization dedicated to unlocking the potential of young people through public speaking training. We believe that effective communication is the key to success, and our program is designed to build confidence, leadership skills, charisma, and entrepreneurial skills in individuals.

# What we do

We offer tailored public speaking training programs for young people, focusing on building confidence, articulation, and leadership skills. Our program include:-

Public speaking coaching and mentoring- Workshops and training sessions on effective communication, storytelling, and presentation skills- Opportunities for young people to practice public speaking in a supportive and nurturing environment.

# Mission

Our mission is to empower young people with essential soft skills that foster personal growth, leadership, and success in their future endeavors. Through engaging and interactive education, we aim to build a foundation of confidence, communication, and collaboration.

# Vision

We aspire to create a generation of confident, compassionate, and capable leaders who positively impact their communities and the world. We envision a future where every young person is equipped with the skills and mindset to lead with integrity and empathy.

# Values

- **Integrity:** We foster honesty and strong moral principles in all our activities and teachings.

- **Empowerment:** We believe in empowering young minds to realize their potential and take charge of their future.

- **Leadership:** We cultivate leadership by providing opportunities for responsibility, decision-making, and initiative.

- **Innovation:** We encourage creativity and innovation, helping students to think outside the box and solve problems effectively.

- **Collaboration:** We promote teamwork and the ability to work effectively with others, recognizing that collaboration leads to greater success.

# The Founder

Gadifele is a devoted mother of two and a dedicated wife. Professionally, she is a serial entrepreneur, inspirational speaker, and published author. She founded Gadmo Cleaning Services in 2016 and The Future Leaders Academy in 2017, where she teaches young people how to build confidence through public speaking and take up leadership roles, empowering them to develop leadership skills.
